From,

D. Devaraj Urs Esquire
Deputy Commissioner
Hassan District

To,

H. V. Nanjundiah Esquire B.A. B.L.
Secretary to the Government of Mysore
General and Revenue Departments.

Sir,

In reference to Government Order No. 15999-16010-L-76-1901 Dated 1st June 1901 sanctioning the District Fund Budget Estimates of the Hassan Local Fund Circle, I have the honor to state as follows

2 ——— As to the information called for in para 2 of the above order, I beg to state that a sum of Rupees 60,430 is proposed to be credited to the District Funds under the head "Seventy six per cent of one anna Cess on Land Revenue" and no arrears were shown as expected to remain at the beginning of the year 1901-02, as in the sanctioned budget for 1900-01 the whole of the demand for that year namely Rupees 60,424-... was expected to be collected during the past Official Year only and that sum was accordingly retained in the budget

Next

Ref to the observation made in para 3 of the same order, I beg to submit that the Taluk Authorities erroneously credited the realizations collected on the Hole Narsipur bridge under the head XVIII Miscellaneous in the treasury accounts

3. ____ The error on the part of the Taluk authorities continued till the end of June 1900 and was found out in this office when the bills relating were submitted by the Amildars of the Hole Narsipur Taluk, for necessary information being embodied in the Deducted Fund Administration Report for the year 1900-01. A reference was consequently made to the Comptroller to Government with a view to get the error rectified and he was requested to debit a sum of Rs 1549-3-6 to XVIII Misc and credit the same to the Deducted Funds and accordingly the Comptroller's reply Docket No 996 Dated 19th December 1900 the amount specified above was credited to Deducted Funds in the accounts of this office for September 1900.

Under these circumstances the increased estimate under the head "Tolls" may be allowed to stand.

I have the honor to be,
Sir,
Your most obedient Servant
